Office News

by: Diane Brandt

What a busy summer your Chamber has had. It's nice to come into the office and tackle the long awaited pile of the other business the Chamber has to do. We finished up the summer with a very successful Crazy Days. We had a Crazy Night on Thursday. The Cap Holter Family provided us with fun music and, yes there was some dancing. Brandi & I sold over 150 tacos in a bag. The NE Children's Museum had food and activities for the kid's. This was a fun evening for all ages, and great shopping bargains from Merchants citywide. On Friday the streets were closed and the merchants remained busy all day. We hope to expand on our Crazy Night next year by having more activities and music.

Our next activity is sponsoring and hosting the Saskatoon Police Pipe Band for the Scottie Festival weekend September 12 & 13. The cost of the band is \$3700. We would like to thank the Consul General of Canada, Dale Eisler for providing us with a \$1000 grant. Their goal is to further economic and social relationships between Canada and Eastern Montana. If you would like to make a donation contact the Chamber office. The Kiwanis Club will also have their Annual Pancake Breakfast on Sept. 13. Tickets are available at the Chamber office. See the schedule inside & post it for the Band's weekend activities. We encourage merchants to decorate their businesses and windows in a Scottish or local sports theme for the month of September.

For October we will be hosting the 35th Annual Montana History Conference. Their theme will be the Anniversary of the government's New Deal program. They have an outstanding program and this conference should bring between 150 & 200 people to Glasgow. We have been assisting other groups to get meetings and conventions here in 2009. We have the State Elks Convention and the Mason's. The Swim Team has made presentations to get the State Swim meet here in 2009. The Chamber can help you with convention & meeting planning. We are available to give site tours and make contacts.

Our Christmas Cash program will begin on October 15, so stay tuned. New Chamber Board members will be elected at the October 16 board meeting. We encourage you to get involved. The board will hold its Annual Planning meeting in November. At this meeting the 2009 budget and activities will be voted on. Stop by the office or contact a Director if you have any ideas for 2009. Last, if you haven't had time for some summer vacation, you just need go 20 miles to the Lake. Last weekend I hiked, sailed, fished and enjoyed food and friends. This weekend will be the last weekend for the Summer Theatre, we applaud the wonderful productions they had this summer. The Chamber Merchants Committee will sponsor a Scarecrow Halloween contest for businesses and homes.

Have a safe and fun Labor Day weekend!

BOARD VACANCIES:

In accordance with Article IV, Section 4 of the Glasgow Area Chamber of Commerce & Agriculture, Inc. by-laws, a nominating committee has been appointed to compile a list of candidates to serve on the Chamber Board of Directors. Three positions on the Board of Directors will be available with a three-year term, starting in January 2009. Each candidate must be an active member in good standing and must have agreed to accept responsibility of the Directorship. The Chamber Board meets twice a month, on the 1st and 3rd Thursday at noon. If you are interested in this position or would like to nominate someone to this position, or additional candidates by petition, please call President Mike Pehlke by September 18, 2008. The Directors shall elect these members at their regular October 2008 board meeting.

We're on the Web, check it out!

Customer Service Tip

Going to the Superhost Seminar that Glasgow held at the Cottonwood was an interesting experience. I learned a lot about customer service and different tips on how to handle certain situations. So Diane and I thought it would be a great idea to share some of the information to the public. If you have any comments or ideas please contact us at the Chamber Office 228-2222.

Tip #1.

Q. When shaking hands with someone, how long do you do it for?

A. Just long enough so you can remember what color their eyes are.

ALSO COMING IN OCTOBER IS THE FUNDRAISER FOR THE AQUATIC CENTER THE "POOL" OOZA. CHECK IT OUT ON OUR WEBSITE, www.glasgowmt.net.
