

Waiver of Liability

This is an important legal document, please read carefully before signing!

Like all river floating outings, I realize this field/canoe trip on a portion of the Missouri River in Montana, as part of the Glasgow Feather Fest may be physically strenuous and I may encounter hazardous situations. I also realize that by taking personal belongings these items could be lost or damaged.

I nevertheless wish to participate in the canoe trip and assume the risk of any injury and forfeit any claims for loss of personal equipment and/or personal injuries that I may sustain, including death, and agree to hold harmless and not liable, to the Glasgow Area Chamber of Commerce & Agriculture Inc, The Feather Fest Organizational Committee, Allies of Scouting, Lewis & Clark 21st Century, and Montana Fish, Wildlife, and Parks and anyone else connected with the 2010 Glasgow Feather Fest and this specific field trip.

I am making this agreement by my own remission and paying my registration fee in exchange for participating in this field trip and use of all equipment provided by the Glasgow Feather Fest organizers.

Participants under 18 years old must have a parent or guardian sign.
